NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

Date: 02 August 2021

Subj: August 2021 VP of Comp Report

1. Just seven weeks to the return of Recreation Soccer.
2. For the Rec players, they are returning after a long period of down time. Coaches, plan for a gradual re-entering. Save those sore muscles and injuries. Be gentle.
3. The schedule meeting will be virtual on 21 August. It will take a bit to be ready. We hope that Clubs will be ready to complete team assignments earlier so we can look at what will be the best way to match up teams.
4. Have the Clubs been reaching out and asking their facility providers what are the stipulations of use for the fields? We do not know the conditions and protocols your fields providers will be placed on the fields you use. Start early! Work with your providers to know and understand what will be required to use the fields you will be using.
 - a. New Covid masking directions from the Governors office may put some stipulations and hoops to overcome.
 - b. With schools going back with masking protocol, the fields that we use on school district property will more than likely be the conditions of use.
 - c. Will we need to separate vaccinated and non-vaccinated spectators?
5. How are Clubs doing in finding and training of Small-Sided Referees.
6. Small-sided referees will need that support as well. Clubs need to schedule classes and support training. Please post your training on the NSYSA website. "Timing is everything!"
 - a. Some may not always be available for one Club's date and time; but may be able to attend another Club's training. I have forwarded a lesson plan for this training and should allow for common understanding.
 - b. We have always required an RMA for the Small-Sided Referee. This year will more likely be the same. But the time it takes to get the job done may be an inhibitor to being a referee.

NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

7. Clubs, please take a moment to verify the Small-Sided Referee pay scale for your Club. These pay scales will be what is paid for the season.
8. Statistics say, 40 – 60% of newly trained referees last less than one year.
 - a. What is the reason why?
 - b. Do we need to better emphasize the “Respect” initiative sponsored by WYS?
 - c. How do we teach respect to the referee and how does that benefit Referee retention?
9. The Scheduling meeting is just around the corner. Please place 21 August on the calendar.
 - a. Location is TBD. Presumably, it will be at the YMCA in Silverdale.
10. Due to no comparative statistics from the previous year, team assignments will be a best guess event.
11. Lastly, I must ask that we prepare for the field and weather. We finely get past Covid and then comes the summer.
 - a. It is predicted high heat this summer. With that we must give consideration to the Heat Index while training and playing.
 - b. Hydration is necessary!
 - c. Limit strong physical exercise during high heat times.
12. Study Shows Artificial Turf Is ‘Hotter’ Than Grass:
<https://www.nytimes.com/1971/01/24/archives/study-shows-artificial-turf-is-hotter-than-grass.html>
13. It may help to reference the National Weather Service website to familiarize yourself with this matter:
https://www.weather.gov/arx/heat_index
14. And finely, we have indicators of serious forest fire conditions for this summer. You may remember our last time on fields in summer of 2018 we experienced many days of no practice due to air quality. Should the fires come, we will need to implement these protocols once more.

Subject: Bremerton Report

I have been officially elected Interim President pending the next AGM vote. Shannon Bayne has been elected Interim Secretary pending the next AGM vote.

We have 206 children registered in Sports Connect, but only 113 in Affinity. We have identified the 93 that need to update their registration and sending instructions.

We had a coaches meeting on 7/28. We had 12 coaches show up, but only 2 have completed new RMAs. Instructions are being sent to them to complete that.

We are forming teams so that as coaches complete RMAs we can get to practicing.

We are in the process of removing our treasurer from our financials, but unfortunately the only person authorized to do that was our past president Jason who was deployed. I am working with him and Chase bank to resolve the issue.

I attended the Registrar training and want to thank everyone who set it up, I learned a lot.

We have only secured 3 practice fields and 2 game locations for the fall. We will practice at Manette (pending approval), the old Junior High, and Naval Ave. We wanted Kiwanis but Silver had already snatched it up. Games will be at Mountain View and Bremerton High School as always.

We are increasing our referee pay for 7v7 matches to \$20/game. 4v4 will remain \$17/game.

Thank you,

John Hurley
